

HAWK WALK

The Hawk Walk is back!

Arrowhead's **May 19th Hawk Walk** event during lunch recess will raise money to replace the existing totem pole at our school. The Arrowhead PTA provided the \$3000 deposit to initiate this project. The Hawk Walk seeks to raise the remaining \$6,000 needed to replace the pole and plaque.

Our 4th graders have contacted Eagleson Williams, the grandson of Sam Williams, carver of the Arrowhead totem pole. Eagleson is working with our students to design and create a new totem pole to replace ours since it is deteriorating. We will return the original pole to the Williams family.

The Hawk Walk will be held during lunch recess on May 19th. Students can wear their class colors!
